- Hi, my name is James, and I'm a podcast-a-holic. It all started with the MP3 player my darling and unsuspecting wife gave me for Christmas last year. First, it was a podcast about fishing. Yeah, fairly harmless, you would think. Then, I branched out into technology, sports, marketing, do it yourself projects, and a podcast about grammar of all things! My palette for this stuff is so acute and I'm learning so much (spoken aside: to the apparent dismay of darling dearest)... Well, this year, I suspect she'll not be buying that new video one, but that doesn't mean I can't get it for the kids! Get your MP3 player this holiday season by logging onto [www.podcastsonline.com](http://www.podcastsonline.com).
